Wednesday, February 24th
24-hour Prayer-a-thon

Sign up to pray individually, from your own home. Or you can arrange a time with friends for a virtual time of prayer with your own small group.

We would love for you to sign up for a 30-minute time slot so we know who is praying from where. However, the most important part of this day is knowing that, across the world, we are all lifting our voices as one to the Father on behalf of Iron Rose Sister Ministries and the mission He has given us to equip more women to connect to God and one another more deeply.

Thank you for your prayers!

Specific instructions for Prayer-a-thon Sign-up (link on website):

1. Scroll down to see the open time slots. Click on any box to commit to pray with us on February 24, during that time (in your time zone).
2. When you sign up, please type your name and then add your location in parentheses. It will be encouraging to see people come together in prayer from all over the world!

Example: Wendy Neill (Searcy, AR)

Tips

- By adding your email address, you will receive a reminder of your time to pray one hour before your prayer time.
- If someone is already listed for the time that you would like to "book," you can still sign up for that time slot.
- If you are having trouble, please email wendy@ironrosesister.com. Thank you for making the commitment to join with us in prayer. It will be amazing to see all the slots filled up and each of our lives blessed because of this time!
