THANK YOU for considering the opportunity to partner with us in prayer and in financial support, as we work toward the vision God has given **Iron Rose Sister Ministries: equipping women to connect to God and one another more deeply in English, Spanish, and bilingual contexts across the Americas.**

Women are longing for deeper relationships with God and one another. All of IRSM's resources are designed to equip Christian women as we inspire and encourage them to multiply that growth among other women. **You** are a part of these women's stories: Anita in Cuba, Rachael and C.J. in Tennessee, Carmen Rosa in Colombia, Tiffany in Nebraska, and thousands more.

We are equipping **thousands** of women in many different countries... And these opportunities continue to grow. We need your help to follow up with these women and continue equipping them!

We invite you to participate as **Prayer Partners and Financial Partners** in this exponentially growing ministry God has given us. **We need around \$100,000 from individuals and \$45,000 from churches** in order for us to increase many of our programs and services, including an expansion into Portuguese, production of audio and video resources for starting women's ministries in Latin American churches, and the addition of new speakers and authors. Details regarding the breakdown of these goals are available.

We are seeking to **increase the partnership with some of our existing financial and prayer partners**, in addition to finding **new partners** that are passionate about equipping women to connect to God and one another more deeply. Please consider one of the following:

- Monthly or one-time pledge to meet our goals
- Two to three-year commitment to partnership with IRSM
- ACH payments are available which can be deducted directly from your account
- No amount is too small!

Based on the imagery of all those who make up our IRSM Garden, including the women we equip as Iron Rose Sisters and acknowledging God as the Divine Gardener, we have established a way of recognizing those who partner with us in this mission by a representative rose, as well.

Below, you will find a breakdown of these contribution levels, honoring our Financial Partners while you also join us as **Prayer Partners**.

Individual Partner Levels

Iron Rose Partner (up to \$999 annual contribution)

Friendship Rose Partner (\$1,000—\$2,499 annual contribution)

White Rose Partner (\$2,500—\$4,999 annual contribution)

Red Rose Partner (\$5,000+ annual contribution)

Memorial Rose Partner (in someone's honor, legacy donations)

Would you consider presenting the opportunity to partner with IRSM to your church elders, Missions Ministry, Women's Ministry or any others who appreciate the value of equipping women to connect to God and one another more deeply?

Would you consider making a personal contribution now?

Will you pray about the opportunity to further IRSM's mission of equipping women to connect to God and one another more deeply? **We are also seeking long-term partners that can make a 2-3 year commitment to partnership with IRSM.**

Beyond the financial aspects, we would love to put your **gifts and talents** to use. Contact us for more details regarding specific needs!

Thanks for being a vital part of the *IRSM Garden* through your prayers! And we would love to hear more of your own story!

We are honored by your prayers and humbled by the participation of others in this vision. God is bringing about tremendous growth and we strive to be up to the task, given us by the Divine Gardener.

In Him,

Wendy Neill

P.S. While much of our equipping takes place in Latin America, we consider ourselves missionaries based on demographics and not just geography, serving and equipping women all across the Americas, starting in our own home congregations. And since all of our resources are available in both English and Spanish, we often serve as a bridge between groups in bilingual contexts through our events, printed materials, and consultations. Please let us know if we can help partner with your church to equip more women locally. Many of our resources are available on our websites: www.IronRoseSister.com and www.HermanaRosadeHierro.com
