

## Qualified Retirement Plan Giving

Each year, as you prayerfully decide how to use the resources God has entrusted to you, you also face a financial reality—your Required Minimum Distribution (**RMD**) from your IRA or other qualified retirement plan.

What if that required distribution could do more than meet a tax obligation?

What if it could help women in the Americas grow in their faith, strengthen relationships, and become the iron that sharpens iron in their own communities?

That's exactly what happens when you give all or a part of your RMD to Iron Rose Sister Ministries (**IRSM**).

### Tax Smart Gift - Eternal Impact

Many faithful friends of **IRSM** have discovered that giving directly from their **IRA or other qualified retirement account** is one of the most *tax-efficient and spiritually rewarding* ways to support this ministry.

When you make a **Qualified Charitable Distribution (QCD)** to **IRSM**:

- You pay **no income tax** on the amount transferred.
- You can give **up to \$100,000 per year** (or \$200,000 for married couples filing jointly).
- You make a *lasting impact*—empowering women to connect to God and one another through intentional, Christ-centered relationships.
- Your gift counts toward your *Required Minimum Distribution* for the year.

It's simple, direct, and deeply meaningful stewardship

### How Your Gift Helps

Your RMD gift strengthens our mission to:

- Encourage women with Bible studies and free online resources.
- Equip women who multiply Christ-centered connections in their churches and communities.

- Provide materials in English, Spanish, and Portuguese that cross cultural barriers with the love of Christ.

Every dollar you give through your RMD helps women discover their identity in Christ and live out their God-given purpose.
