

Fruit from the Ambassadors Equipping Workshop

“Thank you again for a wonderful weekend. I needed it so much! Prayers continue for IRSM.” ~ Susan Brownfield

“Amazing ‘how to’ session. I’m glad I didn’t miss it.” ~ Danielle Joseph

“Thank you so much for blessing me by inviting me to the Ambassador Training. God really blessed me!” ~ Susie Noah

This beautifully diverse group of women grew closer to God and one another through classes on John 15 and encouragements to bear fruit. The fellowship of small groups and prayer trios were an edifying delight. The sessions on how to prepare a ladies’ Bible class and how to address the needs of women through women’s ministry equipped everyone in a way that they were inspired to go home and prayerfully put things into practice.

God is working through each ambassador to sow, water, deepen roots, or reap the harvest. These women returned to their 23 different home congregations better equipped and encouraged to trust the Vinedresser, stay connected to the True Vine, and bear fruit.

Booth Ambassadors and Speaker Ambassadors have taken the next steps forward in their service to equip and encourage more women in their spiritual walks.

Stay tuned as we share the recordings from the classes and testimonies from the attendees. The fruit we have already seen come from our inaugural IRSM Ambassadors Equipping Workshop’s preparation and execution excites us for what we know that God will continue to do in and through us for many years and generations to come... bearing fruit that will last (Jn 15:16).

Contact us for more information about conducting a mini-equipping workshop at your church or to learn more about our [Ambassadors Program](#).

P.S. One additional blessing was that most of our staff, plus two board members were present for the workshop—collaborating in person and deepening our connections with God and one another. Thank you for your prayers!
