

## February Prayer Month Report

*We always thank God for all of you and continually mention you in our prayers. We remember before our God and Father your work produced by faith, your labor prompted by love, and your endurance inspired by hope in our Lord Jesus Christ. (1Th 1:2-3)*

We are deeply grateful to everyone who participated in our annual Prayer Month, lifting up the ministry and those we serve before the Lord. Many of you have joined us year after year, and your faithful partnership means more than words can express.

This year, we distributed hundreds of prayer calendars in English, Spanish, and Portuguese. During our 24-hour Prayer-a-thon, we had dozens of men and women from across the globe praying over the ministry. We have truly felt and experienced the prayers of the saints bearing fruit through events such as our Ambassadors Equipping Workshop and planning for upcoming international trips.

As we seek to multiply our efforts and continue bearing fruit for the Kingdom, we depend on your ongoing prayers. Please consider signing up to receive our monthly prayer updates at [IronRoseSister.com/Connect/Pray](https://IronRoseSister.com/Connect/Pray).
